Description of the module is found on the opposite page.

Linköping University, October 23, 2025

Monika Samuelsson
Coordinator for courses at Didacticum

Examiner in higher education – role and responsibilities

Examinator i högre utbildning – roller och ansvar

20 hours equivalent to 0,75 credits

Entry requirements

It is recommended that participants undertake the course Higher education pedagogy for course leaders, before taking this module.

Learning outcomes

On completion of the module, participants should:

- be prepared to independently carry out assignments as an examiner.

Content

The content of the module includes legal and pedagogical aspects of the examiner's duties and responsibilities at Linköping University. This means that the content, interpretation, and application of relevant parts of the Higher Education Act, the Discrimination Act, the Administrative Procedure Act, the Higher Education Ordinance, central and local regulations and guidelines are discussed. In addition, pedagogical aspects such as connection to the syllabus, construction, implementation, assessment, feedback, and evaluation of examination are considered. Equal Opportunities, the disciplinary board, and support functions including the university library are also discussed.

Qualification for certificate

To be eligible for a certificate, active participation in all the sessions is required.

Other

This module can be included as part of achieving pedagogical eligibility for lecturer, associate senior lecturer, senior lecturer, associate professor and professor according to the rules of appointment at LiU.

Approved by Didacticum's Board of Directors September 12, 2023
